## AN EDUCATION FOR LIFE

The Professional Skills Development Institute (PSDI) opened in September 2003 and is the only Hotel & Catering School in Bangladesh to deliver British National Vocational Qualifications (NVQ's) and the BTEC awards. With its partner Welcome Skills (UK), the PSDI offers the student tailored individual career paths to ensure that all students benefit from the opportunities available to them worldwide. Over the last two years, PSDI with its partners has enabled over hundred students to work and train in the UK, Ireland and beyond.

**For further information about how you can get involved with PSDI please contact:**
